ARTSPACE: SCULPT, CRAFT & DRAW

In ArtSpace: Sculpt, Craft & Draw, we will use a wide variety of artistic tools and materials to create! Students will get to work with paper, clay, paint, recycled materials and more in each week's class. We will discover new media and ways to apply each one to our artwork. Your students will get to test their fine and gross motor skills, as well as stretch their imagination to its limits! So get ready to get creative in this mixed media class!
