Calling all Birney 3<sup>nd</sup> through 5<sup>th</sup> graders - it's time to put on a show! Our neighborhood theater is excited to present **The Birney Play** where you are the theatre stars and no previous experience is necessary.

Over the 12 weeks, we will be working on a short play. Our troupe will build important stage and performance skills as we rehearse: self-expression, story-telling, collaboration, organization and creativity. Friends and family are welcome to the finale show held right after the last day of class.
