

Lego® Robotics & Theme Classes Taught By:

Snapology

After School LEGO® Engineering Enrichment Class

If you like to build with LEGO® bricks - you'll love this! In Snapology's Robotics Rescue Mission Class, Your child will have a blast exploring the world of robotic technologies as they build, and learn. The children will learn programming using the EV-3 language, gain hands on engineering experience, and work together in teams to complete missions.

Dates: Thursdays

Nov. 1 – Dec. 20

(no class week of Thanksgiving)

Time: 3:40pm- 5:00pm

Ages 3rd – 5th Grade

Students

Cost: \$115 (6 class
sessions)

Minimum of 8 and maximum of 12
students per class.

Sign up your future engineer online today.....
shhh don't tell them it's educational!
